Other Needs

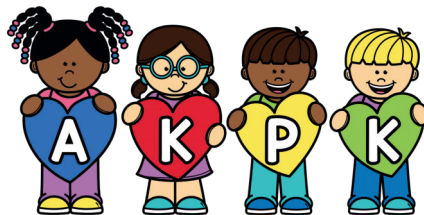

Most school supplies will be provided by the school.

Students will also need:

1. Backpack - no wheels please!
2. Bath towel with child's name on it - no sleeping bags, rest mats, blankets, or pillows.
3. Change of clothes in a Ziploc bag with child's name on bag.

Teachers may request a few additional items at Parent Orientation.

“
All I really
need to know
I learned in
kindergarten.”

Albertville Kindergarten & Pre-K

—Where Hope, Love, and Learning Grow—

Mission Statement

The mission of Albertville Kindergarten and Pre-K is to motivate, inspire, encourage, and support students by providing a safe, secure, and loving educational environment that promotes peace and builds a foundation for lifelong learning.

Philosophy

Here at Albertville Kindergarten and Pre-K, our goal is to provide a quality instructional program with high expectations for all students, staff, and administrators. We believe that education is a cooperative effort between the home, school, and community that nurtures a child's complete development.

We believe that kindergarten and pre-k should provide a learning environment that is meaningful for children by integrating subject matter into units of study that begin with the development of the child's understanding of the world around him or her. Learning is directly related to the child's everyday surroundings in an environment rich with literature and print.

The planned outcome of our program is that every student will leave kindergarten with the skills necessary to progress in the future with a lifelong love of learning.
