

Ms. Melissa Lowery McKee, PHR, is the Senior Human Resources Manager at DriV, formerly Federal Mogul. Since 2020, she has managed human resources for the Boaz, Los Reyes (Mexico) and Maryville (Maryland) plants. In this position, she oversees employee goal setting, performance evaluations and succession planning. Additionally, she is responsible for employee engagement activities, including the annual survey. Melissa analyzes the feedback from the survey and plans events for improvement. Melissa's career in human resources spans more than 16 years and includes DriV, Wayne Farms, LAI Engineering, and Parisian/Belk.

Melissa was a member of the Keep Albertville Beautiful board from 2011-2016, an Albertville Chamber of Commerce board member from 2013-2016 and 2019-2020, a 2020 Marshall County Leadership Challenge graduate, and a United Way of Marshall County board member in 2021. She received her bachelor's degree in human environmental science from the University of Alabama in 2002. She received a human resources certification in 2009 from Kennesaw State University.

Melissa graduated from Albertville High School in 1998 as a third-generation Aggie. She has two children who attend Albertville City Schools, Miller Deason, who is in the sixth grade, and Walker Deason, who is in the second grade. She has been a member of the school board since 2022.
